

## *Mission*

The Carolinas Chapter is an affiliate of the national organization, SACC. We are a "probationary chapter" in our first year. Our purpose mirrors our national organization. The Solid Axle Corvette Club (SACC) is a non-profit organization dedicated to the preservation, care, history and enjoyment of the 1953 to 1962 Corvettes. Ours is a family oriented club with membership covering all members of your family. You do not need to own a Corvette to join. The Solid Axle Corvette Club invites you to share our enthusiasm and dedication to the Solid Axle Corvettes and to enjoy the fellowship of our members.

First General Meeting  
February 2010

The Carolinas Chapter is sanctioned by National SACC and membership in the National SACC organization is required to become a chapter member.

Chapters provide members with opportunities to meet locally for city and regional events in addition to caravanning to the National SACC conventions as a group.

The Carolinas Chapter of the Solid Axle Corvette Club is open to all who are interested in this very special Corvette type. The annual dues is \$15.00 and membership in the national club is required.

Ownership of a solid axle Corvette is not a prerequisite for membership, however residence in North or South Carolina is required. The nation sanctioning guidelines define the region of coverage.

Members in good standing receive a quarterly newsletter, *Axle Grease*, and access to other club publications, club products and club events. An indentifying window sticker is provided with initial membership.

So, join in the fun with other solid axle Corvette enthusiasts. Join the Carolinas Chapter.
